C.J. File No. 53 of 1932 — General and Revenue Secretariat

We consider points out that the six veterinary surgeons referred to, who are getting a pay of Rs 100/- or more, are not entitled to C.A. as per G.O dated 14/(4)31. We, therefore, want definite instructions if they may be permitted to draw H.R. in contravention of the limitation prescribed in para 16 of G.O. dated 14/(4)31. A

We find Govt's opinion seems to be necessary in the matter. A.

Gw 26/(w)33

May the Comptroller be informed that the allowances now granted are in the nature of House rent allowances and not charge allowance and will have therefore to be allowed irrespective of the pay of the officers.

KD 26/10

In the case of the Inspectors in charge of the 6 institutions in question it was reported by the Dir. that they had engaged dwelling houses quite close to the dispensaries at heavier rents. Govt. therefore sanctioned the conversion of charge allowance into house rent in their case. They may therefore be allowed to draw the H.R allowance
